

WHAT IS SCRIP?

Scrip is Fundraising While You Shop®

Scrip turns everyday shopping into fundraising using retailer gift cards. **Simply purchase gift cards for your favorite retail stores through the "Shop with Scrip" website or pick up local vendor cards from the school during the "cash and carry" sales and *earn your tuition discount.***

This works because: Each retailer donates a certain percentage (varies per retailer) of the gift card sale to the school for fundraising. Of that donated percentage, 55% is then credited to your student's tuition account (resulting in a tuition discount), and the remaining 45% of the funding is reserved for the school as a whole.

Cards are available from retailers as traditional cards, ScripNow ecards (available for immediate use) and reloadable cards. Payment for gift cards can be accepted by check, cash or debit by using Shop-with-Scrip's Prestopay program (similar to PayPal).

Participating retailers include Woodmans, HyVee, Kohl's, Copps, PDQ, Kwik Trip, JCPenney, The Gap, Pizza Hut, Red Lobster, Subway and *many, many others.*
